

GRADUATES IN THE BUILDING

Since our reopening on May 6th, 2021, Nativity Worcester has welcomed not only our students, staff, and faculty back to the building, but a number of graduates as well. After two and a half years of a pandemic, 120 Nativity Worcester graduates returned to the building to reconnect with teachers,

students, and fellow graduates. This represents over 50% of Nativity Worcester graduates! In addition to visiting and attending events, some of our graduates have recently been welcomed into our community of faculty and staff. Nativity Worcester is pleased to announce that Demetrius Safford (Pro Class of 2011), who was hired as a part time staff member in March, is currently working full-time as a Nativity Worcester Teaching Fellow for the 2022-2024 school years. We also welcomed Angel Montanez

(Xavier Class of 2007) back to our community as our Operations Manager on August 1 of this year. Bryan Montenegro (Hurtado Class of 2014) and Dante Romeo (Fernando Class of 2015) also returned to the Nativity Worcester community as summer interns. Nativity Worcester has had a wonderful year of reconnecting with our graduates in person, and we look forward to many more visits from all class years in the future.

20 YEARS of
IMPACT

“The thing I enjoy most about being a Nativity student is all the benefits we have, like High School Prep. This class helps us prepare for high school and also helps us find what school we should go to.”

BRANDON
Ellacuria Class of 2023

“ I support Nativity because this is where it all started. Nativity has made a positive impact on my life and continues to do so. Nativity has made me become a better man, father, and entrepreneur.”

GRADUATES GIVING BACK

We are proud to announce that, for the 2022-2023 season, our 7th and 8th grade basketball team will be sponsored by WooJuice! WooJuice is a company founded by Nativity

Worcester graduates Noel Sternn (Xavier Class of 2007) and Isaiah Tatum (Arrupe Class of 2009). On December 5, Noel and Isaiah paid a visit to the 7th and 8th grade basketball team’s practice, where students were able to try WooJuice for themselves, and received basketball jerseys with the WooJuice sponsor

logo. WooJuice offers a variety of healthy juice options, including one named after the Nativity Knights! A physical location is set to open in the spring of 2023. The generosity of Nativity graduates of all ages continues to make a significant impact on the lives of our students and community.

“ I stand with Nativity because to me, it has become the definition of “full circle.” My best memories as a child came from Nativity. When I’m at the school and around those boys, I can’t help but think about myself and my journey. I can’t help but remember there were people once in my position and are in my position still giving back to us. So now as an adult making my own decisions, Nativity has become part of my responsibility to help the next generation and generations to come.”
